Using Gift Aid means that for every pound you give, we get an extra 28 pence from the Inland Revenue, making your donation go further.

This means that £10 can be turned into £12.80, just so long as donations are made through Gift Aid. Imagine what difference that could make, and it doesn't cost a thing.

So if you want your donation to go further, Gift Aid it. Just tick here, it's that simple:

*I want all donations I have made to Health The Gambia since 6th April 2000 and all donations in the future to be Gift Aid, until I notify you otherwise.*

*To qualify for Gift Aid, what you pay in income tax or capital gains tax must at least equal the amount we will claim in the tax year*
